PRECISION MACHINING

**Machined to
Perform.
Built to
Last.**

Precision Machining

25K SQFT
manufacturing facility

Multi Axis Milling
and Turning for tight
tolerance manufacturing

Prototyping and production services

Advanced CAM systems including
simulation and real time verification

Capabilities

Mill 5-axis:
YCM RX65
YCM CX4
HAAS UMC 750

Mill Horizontal:
Kitamura HX300iG/400

Mill Vertical:
Smart Machine
YCM jC16
YVM jC6

CMM Machine:
Keyence
Mitutoyo Crysta
